

## WHO DO YOU CONTACT AT PINKUS?

- For questions regarding the processing of your specimens, you may contact Patricia Heiden, Laboratory Technician Supervisor or one of the Shift Leaders.
- For questions regarding the pathology reports you receive, you may contact Terra MacIsaac, Report Department Supervisor or any member of the Report Department.
- For specific insurance or billing questions, you may contact Kelly Loomis, Billing Supervisor or any member of the Billing Department.
- For questions on the laboratory supplies you have received, you may contact Denise Boone, Supply Team Leader.
- For questions concerning Gene Rearrangement or DIF studies, you may contact Lori Lewis, Head Secretary.
- Don't know who to call, contact Jennifer Weilnau, our Physician Relations Specialist and she will be happy to direct you to the right person.
